

45° Diamond Dimensions Ruler Item#CGREU2

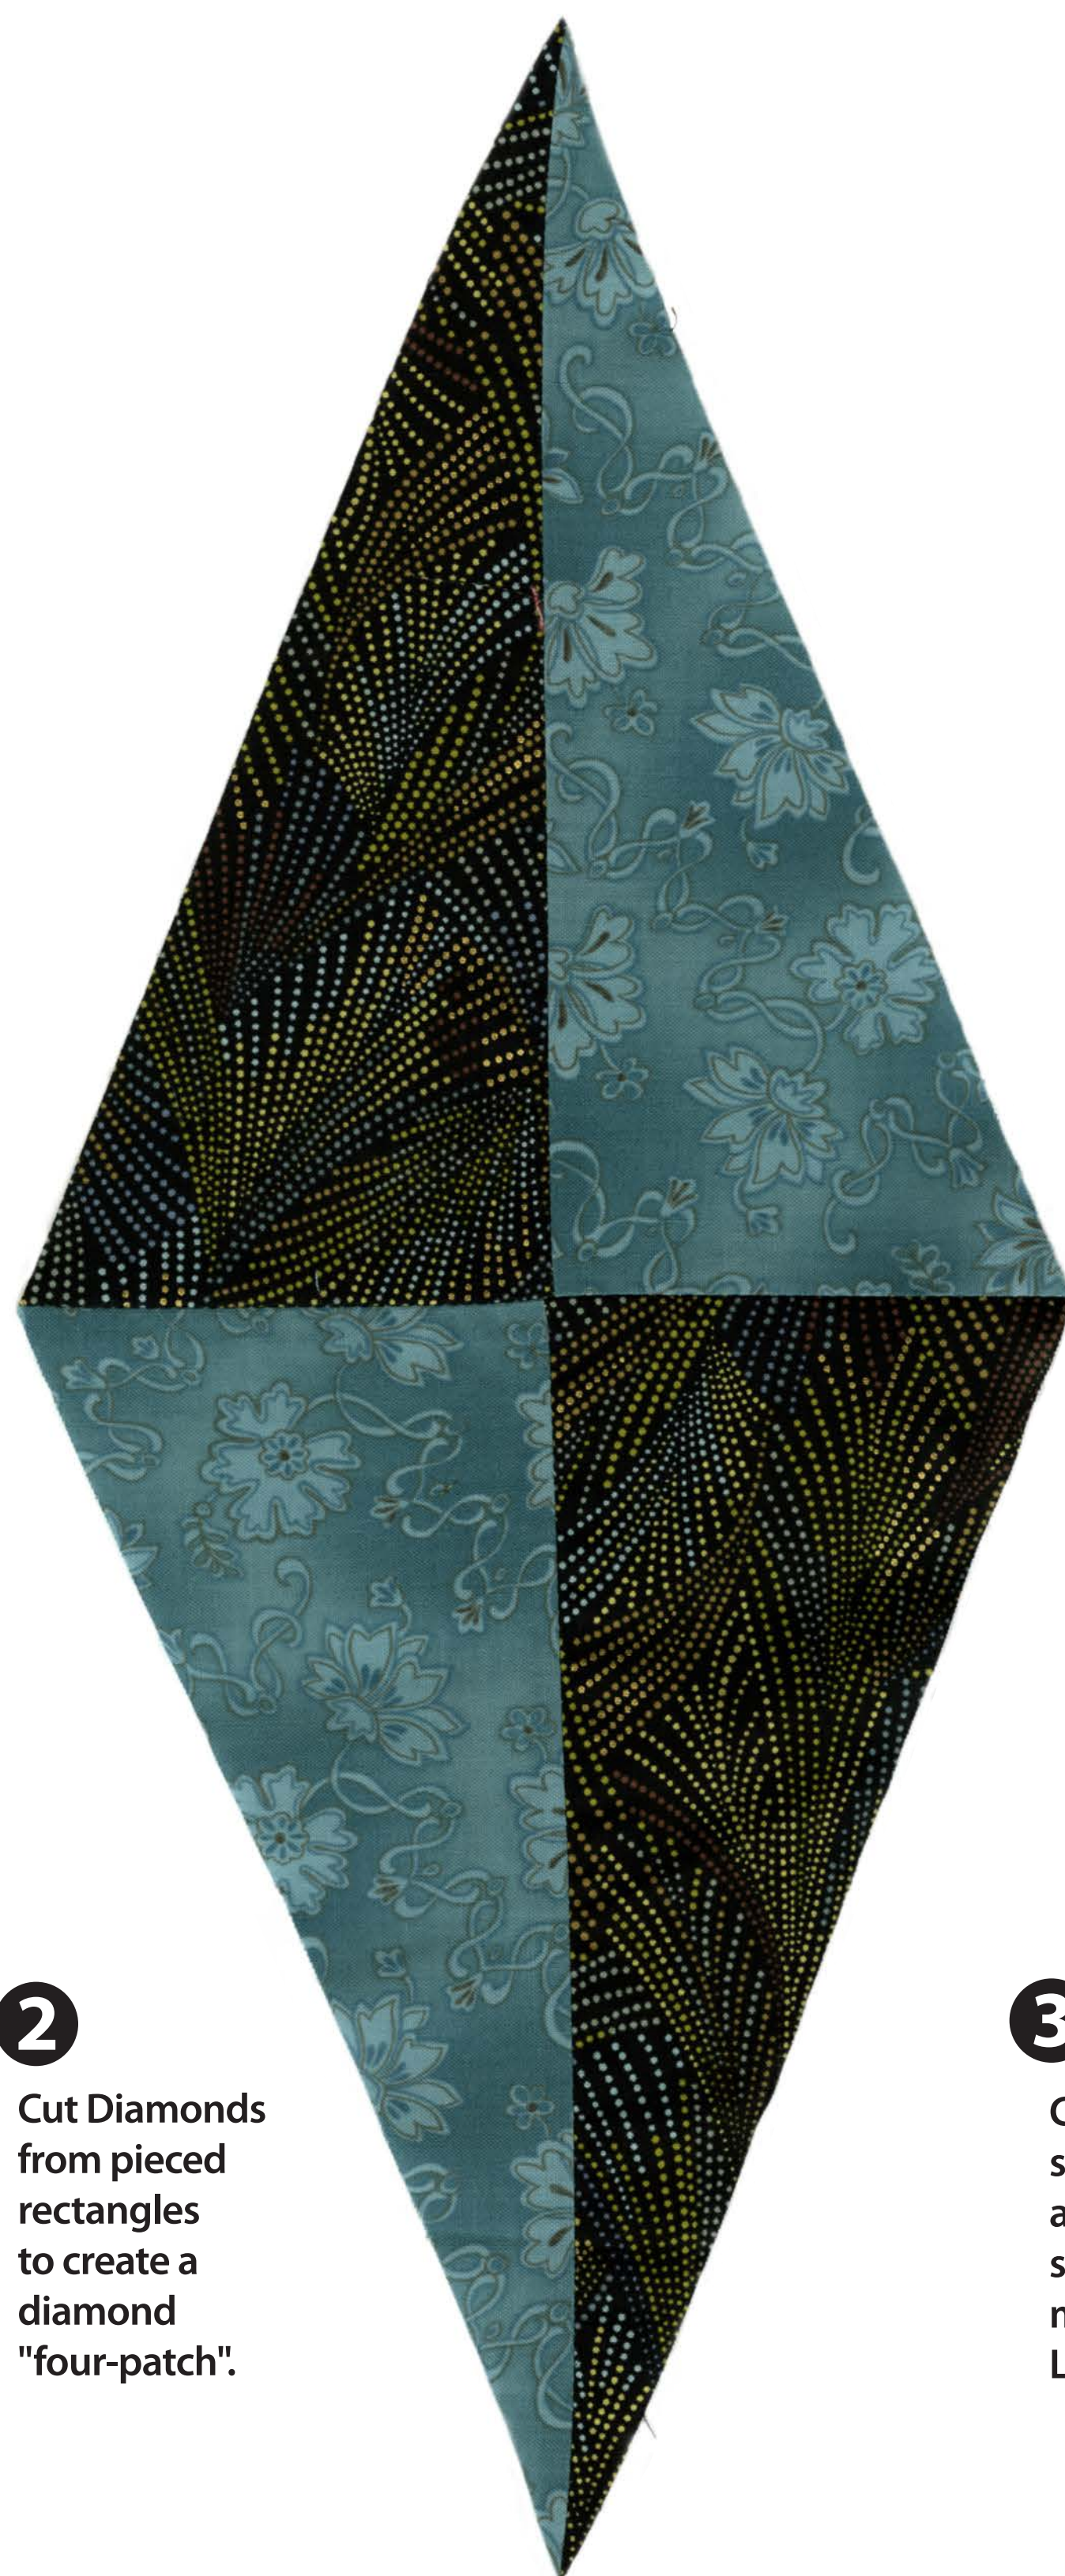

creative.
The Original **NON-SLIP** Ruler **grids®**

1

Cut Diamonds from a strip set by placing the center line on the diamond on the seam line.

2

Cut Diamonds from pieced rectangles to create a diamond "four-patch".

3

Cut Diamonds from strip pieced sets and then sew the strips together to make a traditional Lone Star.

4

Cut Diamonds that are mirror images from strip sets. Then cut them in half – adding the ¼" seam allowance to each half to create Chevrons.
